Addendum Number 1

ITB 23-45-210858

SECTION TRUCK SERVICE BODY

This addendum is issued to provide information as follows:

BIDDER QUESTIONS:

1. It would appear that you currently have the chassis. Are they equipped with hi-rail gear already?

The chassis do not have the HiRail gear installed yet.

2. Is the bid for the upfitter to install all components, or just to ship them to you?

We would like the boxes as complete as possible so when they get here they can be mounted and connected to electrical and hydraulic circuits with minimal effort from vendor up here.

Please acknowledge receipt of this and all addendums via email. **All other dates, terms and conditions remain unchanged.**

Please direct all responses and/or questions concerning this solicitation to Candice Humphrey, via email HumphreyC@akrr.com.

Respectfully,

Candice Humphrey
Contract Administration Specialist
