Addendum 1
Invitation to Bid # 22-06-310940
18 SD70 MAC Traction Motors

Addendum number 1 is issued for answering of questions.

The closing date has not changed.

As stated on the 1st page of the ITB: The Alaska Railroad Corporation (“ARRC”) is soliciting bids from interested parties to supply 18 each SD70MAC REB Outright Traction Motors (TM 2630 OR EQUAL) as specified herein, arriving no more than 30 days after award.

CHANGES: Please disregard the statement “arriving no more than 30 days after award”. On Appendix D Cost Schedule provide the earliest possible delivery date. This can also be a staggered delivery due to the large quantity of traction motors being procured. See example below.

EXAMPLE:

- 6 each traction motors delivered 3/10/2022
- 6 each traction motors delivered 3/24/2022
- 6 each traction motors delivered 4/7/2022

No other changes have been made to this ITB
