

ALASKA

RAILROAD

GRAVEL TRAIN OPERATIONS
RESUME IN MAT-SU

Traffic reminders for gravel mine areas
near Palmer and Kashwitna

Alaska Railroad and gravel mine operators remind Mat-Su residents and drivers that gravel mining and rail transportation will resume in **early May**:

- along Glenn Highway near Inner and Outer Springer Loops (Palmer)
- at Kashwitna (north of Wasilla)

Palmer: Expect 3-hour delays at Outer Springer crossing during train loading, approximately 6-10am (and 6-10pm when 2 trains operate daily). Use Inner Springer Loop for alternate access to Glenn Hwy. Inner Springer will be blocked 20-30 minutes during the end of the loading process, 9-10am/pm. For more info, call **907-265-2357** or visit AlaskaRailroad.com
