Date: October 13, 2026

This Addendum is issued to provide clarification in response to bidder questions and extend bid closing date. All other terms and conditions of the referenced solicitation remain unchanged.

QUESTION AND ANSWERS:

1. Would the Alaska Railroad Corporation please consider extending the current bid closing date from October 20, 2026, to either October 23, 2026, or October 26, 2026?

Yes. The bid closing date has been extended to **Tuesday, October 27, 2026, at 3:00 PM AKST.** All references to the bid closing date in the solicitation documents shall be revised accordingly.

2. Access to Project Area - During our site visit, it appeared that there is no existing roadway or equipment access to the railroad right-of-way between MP 186.9 and MP 192.5. Can ARRC please confirm whether this observation is correct?

The only access roads are Willow Fishhook Road at ARRC MP 186.9 and Sockeye Ave at ARRC MP 192.8.

3. Railroad Transportation and Mobilization - If awarded the contract, our company will require railroad transportation to mobilize and demobilize equipment, fuel, and other necessary project materials to areas without roadway access. Can ARRC please provide contact information for approved third-party railroad transportation providers capable of furnishing railcars and transportation services for this purpose?
