ADDENDUM NO. 3

Invitation to Bid (ITB) 26-17-214505

Whittier Yard Drain Repairs Phase 1 Construction

Alaska Railroad Corporation

Date: May 14, 2026

This Addendum is issued to provide clarification in response to bidder questions. All other terms and conditions of the referenced solicitation remain unchanged.

QUESTION AND ANSWERS:

1. Neither the plans dated 4/6/2026, nor the special provisions, nor the standard specifications provide a required standard or grade of steel for the 60-inch OD pipe casing. Please provide a required grade of steel / manufacturing standard.

Special Provision Section 603 is hereby revised to include the following:

Steel pipe casing, associated with Pay Item 603.00025.0060, shall conform to the requirements outlined in Subsection 715-2.02.2, or an approved equal as accepted by ARRC prior to installation. All costs associated with providing the steel pipe casing shall be subsidiary to Pay Item 603.00025.0060.

2. It appears that this job is not federally funded and would not be subject to BABA requirements. However, this is not explicitly stated in the ITB. According to ARRC standard specification 106-1.01 paragraph 3, if buy American laws are applicable, the railroad provides an appendix to the solicitation. This is not provided in the ITB. Please confirm foreign materials can be utilized for the project.

This project is internally funded by the Alaska Railroad Corporation (ARRC) and is not subject to Build America, Buy America (BABA) requirements.

Please acknowledge receipt of this and all addenda in your firms Supply Bid Form (Form 395-0129).
