Addendum 1
ITB # 26-07-315870
2026 Track Material

This addendum is issued to provide clarification. The closing date for this ITB **has not** changed.

F.O.B. Point

The ITB FOB Point reads “All prices shall be FOB Origin(s) freight prepaid and allowed with no markup.”

1. Are suppliers paying for the freight and then billing ARRC?
2. Or is ARRC picking up the materials at origin and covering the freight?

ARRC will pick up the material at the origin. Please disregard “freight prepaid and allowed with no markup”.

All other terms and conditions remain unchanged. Please acknowledge receipt of this and all addenda in your firm’s Bid Form (Form 395-0129).

Please direct all responses and/or questions concerning this solicitation in writing directly to:
